NO TURNING BACK
"No man, having put his hand to the plough, and looking back, is fit for the Kingdom of God." Luke 9:62.

As we travel down many different highways, we can see signs warning motorists: "NO U TURN." To turn back at such a corner would obstruct traffic for all drivers; therefore, all of us must proceed straight ahead to the right junction to turn. As Dr. Henry A. Parker stated, "When a man becomes a father, his feet have been placed upon a highway that has no turning back. Perhaps before his marriage he enjoyed certain rights and liberties. When he surrendered, he stood before the altar of God and pledged to one woman his life-long loyalty. But when God added his blessing by committing to that man a little child for guidance and training, he found himself upon a roadway of responsibility from which there is no turning back."

As we look into our world today, we see multitudes of adults having forgotten this great truth.

It also applies in the matter of Christian discipleship. Dr. Parker states when one professes faith in Christ and joins a church, he has entered upon a roadway marked "NO U TURN." Before he took his stand and announced to the world that from that day onward they might expect to find in him some evidence of the presence of Christ once he accepted Christ's leadership, he became an enlisted man whose first duty is that of loyalty to his Savior and Lord.

All church members over our city should realize that there is ample gain to compensate for the loss of any liberty involved in serving Christ. They might have sacrificed the pleasures of a party for a season, but for the other hand, they have won the comradeship of Christ for eternity.

Dr. Ponder To Speak At Baptist M Night

Dr. James A. Ponder will speak at the annual M Night for Coffee County Baptists at Hillcrest Baptist Church on November 27, at 7:00 p.m. Theme for this year is "Mobilizing for Experiencing Discipleship."

The program will include the choir from Hillcrest and Woodland Grove Baptist Churches and a solo by Lloyd Helms.

BRAINSTORMS

WITH FERRIN COX

We sure don't quarrel with governor-elect Fob James in selecting the Thickett-Hill home in Montgomery for his family home during his tenure as Governor of Alabama. The house, located on South Perry, a few blocks from the present governor's mansion, is very striking, and in the 1950's, I would pass there and wonder why it was more striking or commanding than the actual mansion. He is spending his own money for the home, which makes it doubly none of my business, even if I didn't approve.

Last year there was a Christmas parade in Elba. Councilman Jimmy Wise was the contact man for those interested in the parade. This week Wise answered our questions about holding the event again by saying he would work with it if folks were interested. "If you and I are the only ones interested, let's forget it." So, if you are interested in a Christmas parade again this year, call Councilman Jimmy Wise at the Men's Store.

The tragic shooting of Representative Ryan and members of his investigative party last week is tragic. However, even more tragic is the deaths of over four hundred of the cult members in Jonestown, Guyana, the little South American country. Reports indicate that small children and babies were spoon-fed cyanide poison in fruit-flavored water. We strongly support freedom of religion, but when a fanatical group teaches the things reported out of this group, maybe there should be some laws to limit them.

My oldest son and I were in Florida fishing the day hunting season opened. Never in my life have I seen so many people toting loaded guns. They lined the roads with their four-wheel drive vehicles so thickly that an ant could get through. Also, the river was full of hunters in boats, and when they were moving from one place to another, they had no concern for the little old fisherman over by the bank. It was not a weekend to have a cork bobbing up and down in the water.

Monday night of this week Hedy and I had the pleasure of being invited to break bread with the members of the Elba Ministerial Association and their wives. We were told we would be their guests, and it would cost us nothing. However, as I was dressing, sorting things from my pockets, my old editor decided to take along a little money, and with good reason. I was raised in the Methodist Church, Hedy in the Baptist, my grandfather was a Primitive Baptist minister, and with exposure to all these, it is highly unusual for this many preachers to get in a group and not take up a collection! The night ended without us having to cough up, but I was (and am) a little uneasy and think I would have been better for them to pass the plate and get my quarter, rather than for me to keep looking for it to come around. Actually, they are all nice folks and we enjoyed the evening.

Justin Vaughn, pastor at First Baptist, was missing from the meeting and several asked about him. There was no ready answer, so my old editor spoke up about the bicycle Vaughn is riding, and predicted he was taking a little longer because everyone else rode cars. He didn't show, but during most any day, you can see Dr. Vaughn riding his peddling along in his suit on that ten-speed bicycle, saving gas and getting his exercise.

NEWS FROM YOUR PHARMACIST

Kris Scarborough

Many persons suffer from some form of dandruff. This common, and annoying condition, is an inflammation of the scalp. There are two distinct types of dandruff and the other is oily dandruff. Both are the excessive production of oil by the oil glands.

If the oil secretion evaporates quickly, a condition known as dry dandruff results. Only dandruff is the result of the oil staying on the scalp and to the hair, causing greasy hair. Scaling of the scalp is common to both types of dandruff and is a warning signal to begin treatment.

We have a number of preparations which are designed to alleviate dandruff. Let us take care of all your medicinal needs. Your health is the primary concern of our pharmacists.

Chi Alpha Mu Initiates New Members

The Elba Chapter of Chi Alpha Mu met Thursday, November 16, 1978, in the Elba High School Library. The president, Vonda Marley, was absent; vice president Buddy Clark called the meeting to order and was in charge of the

meeting. Secretary Cresandra Williams called the roll and gave the club's present financial condition. Then the club held its annual initiation for the active members. The members' names were called and were then given a certificate,

pin, sticker, and membership card certifying their active membership. There were 34 members initiated. Refreshments were served and the meeting was then adjourned. **JULIE MAULDEN--HISTORIAN**

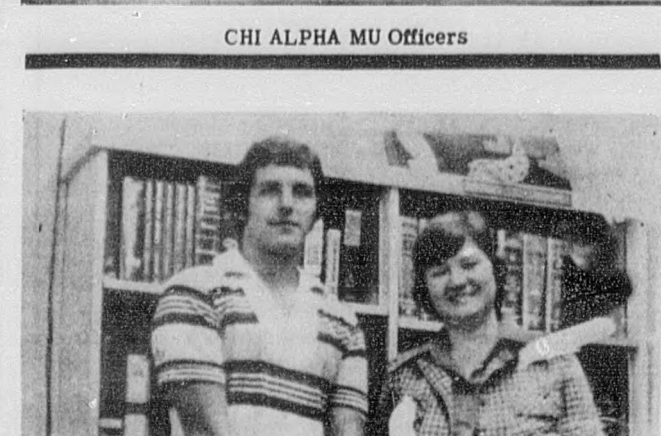

French Club Has Many Projects

The French Club of Elba High School has recently completed a money raising project. The profits from this project will aid in de-fraying the club's expenses of homecoming activities. Besides the club's entry in the homecoming parade, the French Club was responsible for the coronation ceremony and the pre-game show. Expenses wise, the club

had to buy flowers for the queen and her attendants and boutonnières for the escorts and the queen's tiara. This first fund-raising project was to sell 250 miniature footballs which were white imprinted with gold Elba High School and the tiger mascot were printed on the footballs. Several club members bought footballs for themselves and sold some others.

However, a few members worked very diligently in order to make this project a success. Some of the members sold footballs at football games and walked to the Middle School several mornings before school. These outstanding students include Bama Donaldson, Melinda Bane, Jennifer Lee, Kelley Vaughan, Beverly Boutwell, Mike Anisun, Donna Haley and Todd McCollough.

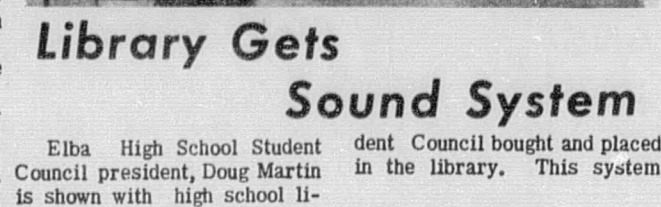

CHI ALPHA MU OFFICERS

VICA Members Attend Workshop

On November 10-11, the officers of the Elba association of the Vocational Industrial Clubs of America attended the local, district, and state officers workshops which was held at the Sheraton Inn in Mobile. There were some 450

high school students from throughout the state who attended this meeting. The main objective of this meeting was to develop the leadership qualities of all VICA Officers. If you are approached by a VICA member, please help support our efforts. **DONNIE LEE--REPORTER**

Beta Club Says Thanks

The Beta Club would like to express its appreciation to those people who volunteered their time and effort to work in the concession stand and at the dances during the football season. Several people worked many long hours and are to be commended for their dedication. The Beta Club says **THANKS!**

...L. S. is on restriction?

...Lynn and Perry are going steady?

...Vilia got an engagement ring?

...L. W. finally learned how to drive a straight shift.

...The Band Dance is coming up.

...A. M., L. W. and T. G. finally got their braces off.

...R. W. sleeps through Democracy every day?

...It's almost report card time again.

...Russ Wood "can't believe" anything.

...Everybody's turning 18.

...Michael sent the first sixteen pages of the annual off.

The Red Devils and the Little Tigers football teams and their cheerleaders, which are made up of first, second and third graders, have come to the close of their season. To show their appreciation for a job well done, the Little League and parents of the boys and girls, will be honoring the two football teams and their coaches and the cheerleaders and their sponsor with a cook-out Tuesday night November 28 at 7 o'clock at the Rec Center.

We would like to acknowledge the parents who gave their time and help to the football teams and cheerleaders. These were committee members, which consisted of three mothers from each team and the cheerleader sponsors. Also the parents who worked when called on by the committee. No one connected directly or indirectly with the League receives any pay for their time or effort, so let's give our support and show our appreciation to these people for giving so much of themselves for our children. With everyone's help, we can work together for an even better season next year.

SPORTS

Views From The Pressbox

The football playoffs only have two weeks left and most of the local teams have fallen by the wayside. The only local grid squad still playing is the Slocumb Red Tops. Slocumb has a veteran team that boasts a quick offense and a tough defense, and they have represented the area well.

By the way, my picks to win state championships are Sweet Water (A), Eclectic (2A), Eufaula (3A), and Jeff Davis (4A).

The basketball season is underway and after the tournaments last week a lot of questions were answered. Kinston, as expected, played well and won their tournament. The Bulldogs play an aggressive brand of basketball and could be in for a good year.

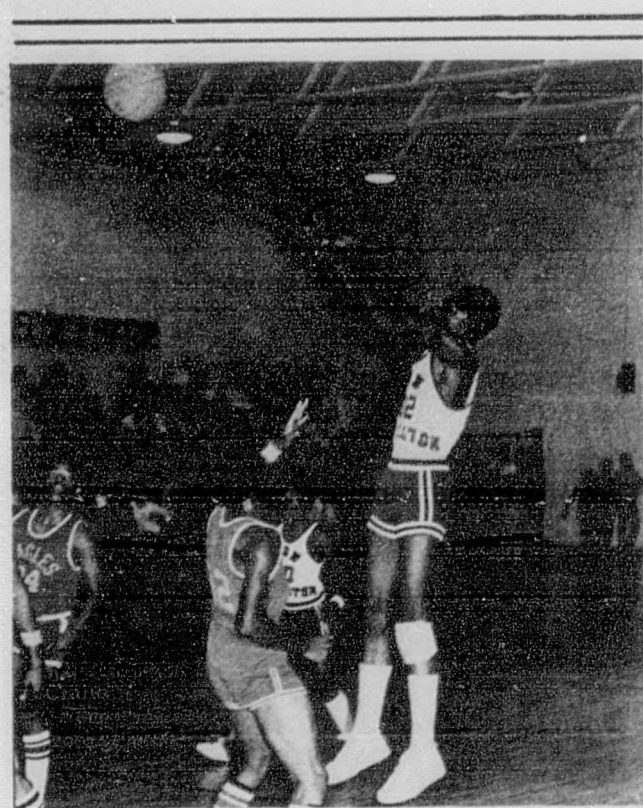

Zion Chapel went 2-1 in the tourney and also proved to be a solid team. The Rebels have one of the area's top players in Steve Downing, and if he gets some help, watch out! The Gamecocks won 2 games last week and showed they can put a lot of points on the board. Area schools better plan on getting Brockton before they gain experience, because when they do they'll be hard to beat.

Brantley got knocked out of the state playoffs last week, but they gave it everything they had. This year's Bulldogs team didn't have any super players, but they had a team that worked hard and deserved every win they got. The Brantley folks should be proud of the team and should tell them so.

Yo ole Polish Propagatorist will venture to pick 'em all this week, even though he knows nothing about the schools from up North. Here goes:

Sweet Water 24 - Calera 18
West Jefferson 38 - Wadley 28
Eclectic 20 - Slocumb 8
Hazelwood 14 - Oconia 12
Eufaula 10 - Lanett 8
Colbert County 27 - Gardendale 14
Jeff Davis 21 - Lanier 3
Jannett 14 - Vastavia Hills 10

Elba Tigers Named S.A.C. Football Champions

The South Alabama Conference has released its final football standings and statistics for the 1978 season and the standings show that the S.A.C. Champions for 1978 are the Elba Tigers.

The Tigers, under Coach Mack Wood, posted a 5-1 conference slate to claim the crown. Andalusia and Opp tied for second with identical 4-1 records.

Individual statistics reveal that Don Horstead, a sophomore from Elba, won the S.A.C. rushing title with 1,567 yards in 160 carries for an average of 9.79 yards a carry.

Placing second in rushing was Opp's Douglas Stoudenmire with 1,288 yards in 158 carries, followed by Andy's Joe Ball with 1,102 yards in 107 carries.

Elba's Jeff Stewart finished in 10th spot with 352 carries. The passing crown went to Opp's Jerry Hartwig, who completed 46 of 103 passes for 748 yards and 7 touchdowns.

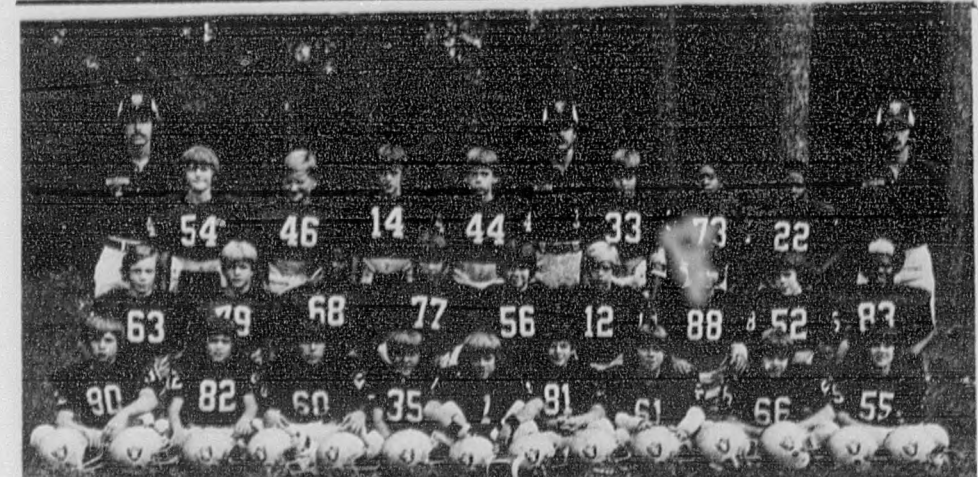

Elba's Marty Marler finished second with 38 completions in 75 attempts for 714 yards and 8 touchdowns. Lex Short, of Andalusia, placed third with 39 of 63 for 673 yards and 8 touchdowns.

The leading receiver in the conference was Elba's Russ Wood. Wood, a senior, caught 24 passes for 399 yards and 5 touchdowns. Opp's Craig Jones placed second with 22 receptions for 314 yards and 1 touchdown, followed by Elba's Perry Fuller with 15 receptions for 310 yards and 3 touchdowns.

The top punter in the conference was Troy's Tod Riney. Riney punted 26 times with an average of 38.85 yards. In second place was Elba's Alan King with 17 punts for a 38.47 average.

The leading scorer was Elba's Don Horstead with 114 points. Opp's Douglas Stoudenmire placed second with 102 points, while Elba's Russ Wood finished fifth with 64 points.

On defense, the leading tackler among linemen was Elba's Russ Wood, followed by teammate Greg Ellenburg. Wood led with 83 tackles and 45 assists, while Ellenburg placed second with 74 tackles and 40 assists.

MOBILE RAIDERS

Elba Packers To Meet Mobile Raiders In Turkey Bowl

The Elba Packers 8-1 will meet the Mobile Raiders 2-2 in the Turkey Bowl November 25th, 1978 at 2 o'clock. The Elba Packers completed their regular season last Saturday night by defeating the New Brockton termies 12-6. The Packers have had a good season this year while rolling up 146 points to their opponents 50. The Packers have beaten the following teams: Opp Golden Rams 12-8, Opp Blue Devils 40-16, Opp Red Barons 6-0, New Brockton 18-6, Brantley 12-6, Opp Blue Devils 40-0, Opp Red Barons 6-0, New Brockton 12-6. Their only loss was to the Opp Golden Rams, 8-0.

The Packer coaching staff completed 54 of 103 attempts for 643 yards and 15 TD's. The leading pass receiver is Rip Mitchell who has caught 23 passes for 360 yards and 8 TD's. Stand-out performance goes to the entire defense who has held their opponents to only 35 points all year. The leading defensive players are Mark McGowan, James Hughes, Rip Mitchell, and Mitchell Collins. Richie Sullivan leads in interceptions. We hope to see everyone out Saturday at 2:00 p.m. to support our Elba Packers, in what should be a good ball game. Admission is FREE. See You Then - Elba High School Stadium.

ELBA HIGH B TEAM.....Front row (L-R) Scotty Farmer, Calvin Flowers, Troy Brown, and Billy Daniels. Back row (L-R) Coach Bill Rayborn, Glen Johnson, Doug Daniels, Frederick Reed and Johnny Hooks.

Good News-

You finally get to see Santa Claus at the North Pole... You remember to brush your teeth... That cute guy at the dance asked you to dance... You finished the book you are going to give a book report on... Your girlfriend gave you a pet... You offered your teacher some of your chicken's chewing gum... You went to roll Mrs. Bryan's yard... You decided to give the field and not date any certain guy...

Bad News

Your teeth are chattering so hard you can't tell him who you want... De onny poldun, on can't talk wit you... You had to soak your feet all day because he stepped on them... Your teacher said you are too old for Dr. Seuss... It was a bad constrictor... (Is that a hint?) It wasn't white coated chewing gum like you thought it was... You forgot the toilet tissue... They all came to the same ballgame...

Commencing at a point where the West line of the NE 1/4 of SW 1/4, Section 5, Township 21 N., Range 10 E., intersects the center line of Coffee County Highway No. SACP 774(1) and running thence easterly along the center line of said highway a distance of 551.40 feet; thence N01 degree 57' West a distance of 40.00 feet to the point of beginning; thence continuing N01 degree 57' West a distance of 210.00 feet; thence N88 degrees 03' East a distance of 210.00 feet; thence S01 degree 57' East a distance of 210.00 feet; thence S88 degrees 03' West along the northerly right of way of Coffee County Highway No. SACP 774(1) a distance of 210.00 feet to the point of beginning. Said property lying in the NE 1/4 of SW 1/4, Section 5, Township 21 N., Range 10 E., Coffee County, Alabama, together with the hereditaments and appurtenances thereunto belonging.

Note: Said sale, and any conveyance made in connection thereof, will be made subject to any existing Federal tax liens, if any, and/or special assessments, if any, which might adversely affect the title to subject property.

Said sale will be for the purpose of realizing the Mortgage debt, together with all expenses of this sale, including a reasonable attorney's fee.

This 20th day of November, 1978.

Sheriff Grantham Stresses Urgent Need For New Patrol Cars

The Coffee County Commission met in regular session on Monday, November 27, at the courthouse in Enterprise, and heard Sheriff Neil Grantham state "I realize your financial bid, but I also realize my pledge to serve the people of Coffee County to the best of my ability."

Sheriff Grantham's comments came after the County Commission again failed to take action on his request for new patrol cars. Sheriff Grantham reported that his department is using four cars that have over 125,000 miles on them, and added, "The repair bills are extremely high and the vehicles are dangerous to my deputies."

"Just remember," warned Grantham, "that when you need us in a hurry, it may take a while to get there. The cars are old and just aren't reliable."

While meeting with the Commission, Sheriff Grantham also brought up the problem of cooking at the jail. We've been using inmates as cooks, but it's not working out. They're stealing us blind and not doing a good job of preparing the food."

Grantham asked for permission to employ a cook for the jail, but was told the CETA program was in a hiring freeze and no one could be employed until January. Before leaving, the Sheriff informed the Commission that the jail still did not meet requirements stated in an inspection by the State Fire Marshal. However, the work is being done and should be completed soon.

The bi-monthly meeting began at 10:00 a.m. with all commissioners present. Present were Commissioners Glimmer Grant, Rex Boutwell, Jack Hornsby, Max J. Reeves, Don Smith and Benjie Beckham, along with Probate Judge James L. Sawyer, Clerk Bruneau Winston and County Engineer Leslie Mullins.

Two sets of bids were opened at the meeting - one at 11:00 a.m. and one at 2:00 p.m. At eleven o'clock, the Commission opened bids for paving of the road near the new processing plant in the northeast part of the county. Bids were received from S. & B. F. Williams Const., of Ozark - \$22,450. The Commission voted to accept the low bid.

The other bid consisted of a project sponsored by Soil and Conservation Department, to be paid by Federal funds.

The work included placing concrete flumes, seeding and mulching, and sodding on the Geneva Highway to the Samsom Highway. The bids came from Tom M. Warr Contracting - \$64,634.50, and Wayne Ford Contracting - \$58,484. The Commission will award the contract after approval from concerned agencies.

Probate Judge Sawyer told the Commission that the Alabama Forestry Commission (2) Health Systems Agency - \$300,000.

***Of a leak at the County Health Office;

***That Sarah Keeler, a Health Department worker, was retiring on December 8;

***And, told the Commission it was invited to tour the new facilities at Conagra on December 6.

The Emergency Medical Services Board (which serves 18 counties) sent the Commission a letter asking it to appoint three members to the board. The Commission mentioned appointing Kenneth Ball and Terry Sheaffer, but delayed the action until the next meeting. The Commission expressed a desire for the third appointee to be from Elba.

Mr. Rufus Bradley addressed the Commission and

Commission Gives In - Hikes Rates

The Coffee County Commission met on Wednesday, November 15, and agreed to allow Solid Waste Enterprises to use its commercial garbage pickup price to \$4 per pickup.

The rate hike will result in the end of the company's dumpster rental charges, which started the recent grumbling over the garbage business.

Commissioner Jack Hornsby made the motion to raise the fee and it was seconded by Commissioner Glimmer Grant and Rex Boutwell abstaining.

Also approved in the motion was an agreement to allow Solid Waste Enterprises an option to lease all garbage containers not in present use.

In other action at last week's meeting, the Commission:

***Heard that the Farm Center Area had been cleaned up;

***Look no action for a request for a telephone at the Registrars' Offices in Elba and Enterprise;

***Awarded an appraisal contract to Coston Barlow.

Grand Jury Reports On Condition Of County Buildings

The Elba Division of the Coffee County Grand Jury was empaneled on Monday, November 20, 1978, and reported the following existing conditions of county property and buildings after their inspection:

The courthouse is in a poor state of repair, and additional space is needed for storage and preservation of records. The Grand Jury suggests micro-filming to accomplish this.

Restrooms are in a general bad state of repair, and need a good and thorough cleaning. Unsafe conditions for workers and visitors exist in various departments, examples as follows:

Hole in inside wall in sheriff's office; plaster is falling from ceiling and walls in several offices; several heaters in various offices present an open flame (vented heaters are suggested by Jury); light fixtures in Circuit Judge's Office insecure and liable to fall at any time.

Further inspection of the courthouse revealed that a number of windows show evidence of leaking, as do many of the air conditioning units installed in the windows. Evidence of leaks in other areas of the building was also reported, with suggestions to repair.

The County Health Center was found to be in a generally good state of repair, with the following exceptions: plumbing in one bathroom is in need of immediate attention; evidence of leaking was found around the sky light and the heating and air conditioning vents; one window lock is broken; ceiling tiles are broken and damaged, and light fixtures need replacing.

Several areas of the building need to be repainted - namely the hand rails and posts on the porches, and also the side porch, weather stripping on front windows needs repairing or replacing.

Inspection of the building housing the County Board of Education showed it to be in an excellent state of repair; and very clean, but the Board of Registrars and Department of Veterans Affairs building needs a new roof or a roof repair job because of the strong evidence of leaking. (This condition was noted to have been prevalent for three years.) Leaking has damaged the office housing the Board of Registrars to the extent that it needs repainting, and the ceiling tiles in the Veterans Affairs Office need complete replacement.

Members of the Grand Jury say "there is a definite need in this county for either a complete renovation or remodeling of county jail or the building of a new jail." (This was said to be especially needed because of overcrowded conditions.)

Finally, the Grand Jury requested "that if the foregoing enumerated conditions in the various buildings are not attended to by the County Commission by March 1, 1979, the Circuit Judges of this judicial circuit call this Grand Jury back into session and that the County Commissioners be summoned to said special session of this Grand Jury to show cause why they have not attended to these conditions."

Area Lakes

Rayborn Named Police Chief

For the first time in nearly 4 months the City of Elba has a full-time Police Chief. The new Chief is Max Rayborn, who had been serving as acting Chief since M. W. Johnston was suspended in August.

Rayborn was named Police Chief last Tuesday night, November 21, by the Elba City Council at the regularly scheduled meeting. Rayborn had been the top choice for the position for many weeks, but his approval was slowed by the fact that he lived at Pine Level, a small community located in Crenshaw County.

Councilman Wayne Sharpless was the only member not voting for Rayborn's appointment, but Sharpless insisted his reluctance did not stem from the job Rayborn had done as acting Chief. Sharpless told the council he could not vote in favor of hiring a police chief or a new policeman who did not live in the City of Elba.

Councilman approved dividing the \$830 monthly salary among the 12 employees and doing away with the position of assistant Chief. Instead of hiring an assistant for Rayborn, the council agreed to promote Leonard Cook, Pete Daugherty and James Sparlin to the post of sergeant. These will act as shift leaders and will receive \$4.45 per hour.

Other pay raises included a 35¢ per hour increase for radio operators and a 40¢ per hour raise for patrolmen.

Mr. Ed Gullion addressed the council and told it of water problems at his home, which he said was the responsibility of the City and the builder of the home. Gullion reported that during heavy rains, water had come within two-inches of getting in his house and that

Death Claims Charles P. Hayes Jr.

Charles P. Hayes, Jr., a leading figure in the local business community, died Wednesday, November 22, 1978, in the local hospital after a lengthy illness. He was 65 years old at the time of his death.

Mr. Hayes was buried Friday morning at 11:00 a.m. in the Hayes family plot in Evergreen Cemetery with Rev. Dr. Jason Vaughn officiating.

He was born on May 17, 1913, at Richburg (now Elba, Elba New Brockton) in the home of his grandparents, Mr. and Mrs. George Stephens. He was the only child of the late Dr. and Mrs. C. P. Hayes, Sr., a prominent Elba physician.

Mr. Hayes was educated in the Elba schools, and after graduation in 1932, attended Clayton-Jones School of Mortuary Science in Nashville, Tennessee. He was licensed by the State of Alabama to perform the art of embalming in 1935. He was one of the oldest licensed embalmers in Alabama.

Hayes founded Hayes Funeral Home in 1934 and served as its president until his death.

Mr. Hayes' love of the outdoors and horses was widely known, and he was an avid lover of hunting and fishing. Just a few days before his death, he still talked with visitors of getting out of the hospital and going fishing.

He was a peasant farmer and cattle breeder and served on many civic boards during his lifetime. For many years he operated Hayes Hardware Company also. He was a member of the First Baptist Church of Elba.
